The State Trustees at our February meeting discussed the idea of having the appointed position of State Parliamentarian be more than just a one year term. We feel this is a very important position within the State Association and by having a different Parliamentarian every year may not be the best for the State. So with that said we are asking the Lodges to pass this on to your membership. The Trustees are asking that if there is a member in your Lodge who might be willing to seek this position for the 2022-2023 year and hold the office for a one year term then be re-appointed each year to submit their name and resume to your **District Trustee by January 1, 2022**. The Trustees will then recommend that member to the President and President-Elect for consideration.

Qualifications would be as follows:

- 1) Very Familiar and current with the Grand Lodge statutes
- 2) Very familiar and current with all By-laws of the Iowa Elks Association
- 3) Able to apply Roberts Rules of Order
- 4) Strong communication skills
- 5) Past Exalted Ruler

We ask that you please pass this on to your membership. Please free feel to contact any of the State Trustees with any questions or comments.
